PRATT & LAMBERT PAINTS® REVEALS NEW HOMES IN HARMONY COLLECTION

*Five Harmonious, Hand-Selected Color Palettes for Five Distinct Personal Styles: Seaside Comfort, Cityscape, Woodland Cottage, Desert Adobe and Fresh Classics*

CLEVELAND – Pratt & Lambert Paints® is known by designers nationwide for its dynamic and thoughtful color choices. Through its new Homes in Harmony Collection, homeowners can select colors which express their personal style and evoke the ambiance of their choosing. Each of the five collections contains 18 colors which can be used in different combinations on walls, trim and ceilings, even as inspiration for furnishing and accessories—to blend comfort and color throughout the entire home.

“So home is where the heart is, as the saying goes. It’s not just about colors people choose but about the lifestyle a homeowner wants to convey through the intentional use of these colors,” said Michelle Bangs, Pratt & Lambert brand manager. “Our new collection takes the guesswork out of color selection by offering palettes that work together naturally... in perfect harmony.”

Whether you dream of living on the coast, taking in the soft warmth of the skies at dawn or simply crave the serene moments which come from a beautiful sunset on the beach, the new Seaside Comfort collection creates the atmosphere you’re seeking.

If you love the hustle and bustle of city life, basking in the diversity of cultures and the rawness of the modern urban environment, Pratt & Lambert’s new Cityscape collection will have you living on the edge.
